## Delta Dental Premier with National Coverage

### Easy Access and Great Value — Your Delta Dental Network

As a Delta Dental Premier with National Coverage subscriber, you have access to Delta Dental's extensive national network — Delta Dental Premier is the largest dental network in the country with over 186,000 dentist locations. Three out of four dentists nationwide and 96% of Massachusetts dentists participate in this network.

With Delta Dental Premier, you enjoy the greatest savings in out-of-pocket expenses when visiting a dentist who participates in the Delta Dental Premier network. Participating dentists typically accept discounted fees for their services, and since your co-payments are based on these fees, you pay lower out-of-pocket costs for your care. You will still receive coverage if you visit a non-participating dentist, but your benefit will be at the out-of-network level shown in the right-hand column of this coverage summary.
